

Submitter: Eloise Parish Mueller

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

Dear Chair Golden and Members of the Senate Natural Resources Committee,

My name is Eloise Parish Mueller, and I live in Eugene. I support a strong factory farm moratorium in Oregon. I support the -1 amendment to SB 85 and oppose the -3 amendment.

ALL types of factory farms (including mega-dairies) are disasters for public health, our climate and environment, the interests of small scale farmers, and animal welfare. Legislation only covering chicken farming is insufficient, and allows corporate polluters to continue poisoning the land and water, endangering nearby communities, and torturing animals. This is unacceptable and unjust– Oregon needs a full moratorium on all factory farms as proposed in SB 85-1.

Please support SB 85-1.

Sincerely,  
Eloise Parish Mueller
