

Submitter: Anne Millhollen

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

I support SB 85-1--a full moratorium on factory farms. Chicken farms need to be monitored and controlled, but large livestock farms are an even bigger source of pollution and also need to be controlled. Mega-dairies are among the worst offenders in our state. Please pass this bill without the amendment limiting it to chicken farms. We need a moratorium on all factory farms.
