Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

My name is Emily, I live in Portland, Oregon and I am writing in support of HB 2002. This bill will help many Oregonians, including many in my own community, access gender affirming care and reproductive healthcare services. These issues are important to me and impact my life on a daily basis. I strongly support HB 2002 and urge you to vote yes on this bill.
