On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

My name is Nate Zeiler, I live in Portland, Oregon and I am writing to express my strong support for HB 2002. This bill will help tens of thousands of Oregonians access gender affirming care and reproductive healthcare services and codifies the right to full spectrum reproductive care in our state. These issues are important to me and critically impact my life. I fully support HB 2002 and urge you to vote yes on this bill.
