

Submitter: Jessica Gibson  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2006

Dear Legislators,

I find it outrageous that 10 to 20 year olds can currently buy assault weapons and semiautomatic rifles. The research shows that this demographic commits gun homicides at a rate of three times those aged 21 and over. Raising the minimum age to purchase and possess semiautomatic rifles just makes sense and can save lives.

Sincerely,

Jessica Gibson
