

House Committee on Judiciary:

NO on HB2005

Let us praise and pray via Almighty God, the Creator, Father and Lawgiver who: led the ancestors of Abraham, Isaac and Jacob along with their progeny; is the same in the past, today and into the future. May His blessings and curses be abundantly given as He has prescribed within His Laws, Statutes and Judgments. May He give insight to the leaders of this State and Nation to help them obey Him. We are thankful to Him for giving His only begotten Son as recompense for the sin of those who He permits to accept and know His Son as the One and Only Lord, Savior and Christ, Jesus. We ask that He hear our prayers in the Holy Name His only-begotten Son, the One and Only, Lord, Savior and Christ, Jesus. Amen.

I do not support HB2005. No prohibition of homemade guns is wanted nor needed in Oregon!

NO on HB2005

There is nothing in the United States Constitution nor the Constitution of the State of Oregon which implies that guns should be regulated which may be used for protection against government.

NO on HB2005

When gun identification is required, the mortal enemies of the Citizens of the United States of America will have access to records to learn how many guns exist here and where they are kept. Now, the mortal enemies of the Citizens of the United States of America do not want to attack our mainland because they do not know how many guns we have. This bill will remove that important freedom enhancing protection we have to help keep our mortal enemies at bay.

Thank you.
