

Submitter: Christine ONeill

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

My name is Christine O'Neill. I live in Portland, Oregon and I am writing to express my strong support for HB 2002. This bill will help tens of thousands of Oregonians access gender-affirming care and reproductive healthcare services and codifies the right to full spectrum reproductive care in our state. These issues are extremely important to me and directly impact my life and my community. I fully support HB 2002 and urge you to vote YES on this bill. Thank you!
