Committee: Senate Committee On Finance and Revenue

Measure: SB540

As a member of the Oregon Army National Guard, I believe it is important to take care of the soldiers, seamen, and airmen that have supported our state through national and state disasters and overseas defending our great country. The members of the military risk their lives for at least 20 years to receive a military retirement. With this amount of time and dedication, they should be rewarded with a tax break on their retirement.
