

Submitter: Jim Welsh

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

HB 2006 - 'Prohibits person under 21 years of age from possessing firearms with specified exceptions.' I believe it was MLK who said "A right delayed is a right denied." This is exactly what HB 2006 does, denies 18 to 20 year old's their ability to exercise their inalienable 2nd Amendment rights. But yet these same 18 to 20 year old can enter into a legally binding contract, join the military, get married, etc. But because of the politicians convoluted way of thinking, 18 to 20 year old are not mature enough. But these same politicians thinks it is perfectly fine to let a 16 year old vote and let children age 14 and younger make life altering decisions without parental consent. Why is this?

Vote NO on HB 2005, HB 2006, and HB 2007. You will feel better about yourself knowing you did the right thing.

Thank you,

Jim Welsh
