On Behalf Of: HB 2006 - A right denied is a right denied
Committee: House Committee On Judiciary
Measure: HB2006

I oppose HB 2006. No only is it NOT OK to discriminate against and deny certain inalienable rights of 18 to 20 year olds, in this case their 2nd amendment rights, it is also very much unconstitutional as well.

HB 2006 need to locked away never to see the light of day again.
