On Behalf Of:
Committee: House Committee On Judiciary
Measure: SB581

Representative Jason Kropf, Chair
Representative Tom Andersen, Vice Chair
Members of the House Judiciary Committee

I strongly support SB 581, allowing earned reduction time in supervision for those returning citizens who are solidly demonstrating their determination to live as productive, law-abiding Oregonians. Rewarding good behavior works. Please help recognize these folks who are trying to make a better, safer tomorrow for themselves and for Oregon. Please support SB 581.
Thank you for listening.
