Measure: HB2006

HB2006 is egregiously outside the authority of this legislature. You do not have the authority to remove the rights of ANY individual. Article 1 Section 27 of the Oregon Constitution clearly states that the people have the right to bear arms in defense of themselves and the state. That applies to every single adult, not just those who have reached their 21st birthday. To vote in favor of this bill is to arrogantly spit in the face of those who wrote our Constitution, the Constitution which you swore to uphold, to preserve our liberty.
