

Submitter: Sarah Stoll

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB60

Hello, I have been a full time paramedic with American Medical Response in Multnomah County for 16 years. I strongly oppose lowering the training requirements for EMS in Oregon. Despite the current staffing challenges that exist in just about every industry, the solution cannot be to degrade the quality of care given to our friends and families. As a paramedic and an Oregon resident, I urge you to oppose this bill.
