Committee: House Committee On Judiciary  
Measure: HB2007

As a CHL holder, I am adamantly opposed to this bill.

As a law abiding citizen of the State of Oregon, I find it ridiculous that the Legislature endlessly crafts laws that only serve the purpose of turning lawful gun owners into criminals.

The current law restricting concealed carry on school property is an excellent example of this.

Placing the burden of knowing the hodgepodge of locations that this law would create is unreasonable.

I urge you to vote no!
