Measure: HB2005

I support HB 2005 and ask for your support of HB 2005 to keep our community safe from ghost guns.

A ghost gun is a do-it-yourself, homemade gun made from easy-to-get building blocks that can be purchased with no background check and no questions asked. These guns are increasingly a weapon of choice for gun traffickers and people prohibited from possessing firearms. Oregon has no laws restricting or prohibiting ghost guns.

Lawmakers should support HB 2005, which would help save lives by prohibiting undetectable, untraceable firearms which never go through a background check.
