

Submitter: Ward Rouse
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

I have been a responsible gun owner for over 40 years in the state of Oregon I use them for protection for hunting and for pleasure.I am tired of always defending my second amendment rights.House bill 2005,2006,2007 are all unconstitutional they are only going to affect law abiding citizens.There needs to be more emphasis on holding the guilty accountable.I oppose all three measures.
