

Submitter: Yvonne Hannemann

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

I oppose the passage of this bill HB-2006. As a woman, Mother, and avid Hunter. I believe that at 18 you are considered a legal adult in the United States, and a person should be able to obtain a legal firearm at the age of 18. This will also destroy are youth hunting in Oregon.
