hello in the House (Judiciary)

I got a great idea... lets just leave guns in a vehicles because it is unsafe to keep them with us...

OH wait... I did that as I took a friend to the Red Lion inn the night before they were to fly out in a big snow storm...

parked my truck 50 ft from show room windows in front of reception desk. (truck got stolen in less than 2 hrs).

Had I known I would be spending the night in thug ville, I would have kept the gun with me . SEE HOW THAT WORKS ?

Gun laws work for criminals... they don't work for citizenry.
