

Submitter: Mindi Pelc

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

I seriously oppose this bill, I have the right to carry and protect myself, now that crime is getting worse because of Democrats policy its more important than ever that I can protect myself wherever I go. If you want to do something about gun crime go after the criminals that don't care. It's really not hard to figure it out.
