Measure: HB2006

I oppose this bill because it takes away my right as a parent and grandparent. No longer could I take my children or grandchildren out shooting or hunting. This is something I hold very dear to give them. This has been ingrained into me at a very early age by my father and grandfather. It's one more thing that the legislators of Oregon want to take away from us. Please don't. If a person between 18-21 shouldn't have possession because of immaturity, then they shouldn't have the right to vote either for the same reason. Right?
