

Submitter: Dennis Hebard  
On Behalf Of: Adults at 18  
Committee: House Committee On Judiciary  
Measure: HB2006

Hunting from 12 to 17 requires a hunting safety course, generally must have a valid hunting license to use a firearm. With a temporary transfer from a family member to the minors. Adults at eighteen move out, away from family, a transfer of a firearm to a minor for the purpose of hunting would be imposed on adults, this is confusing.
