

Submitter: CG Blom
On Behalf Of: HB2007
Committee: House Committee On Judiciary
Measure: HB2007

We DO NOT NEED AND DO NOT WANT any more laws regarding guns, artillery, housing or anything associated under those umbrellas. We DO EXPECT YOU to actually ENFORCE ALL EXISTING LAWS, especially those taking off the street drug dealers, illegal arms dealers, homeless especially those transient not from Oregon but came here to break the law and are involved in the Criminal drug and arms dealing conduct! Stop wasting tax \$\$\$\$\$\$ coming up with incompetent power grabbing tyrannical "laws" and meeting on MY DIME, on the tax payer dollar, to not do your job! Stop it! Enough
