

Submitter: Andrew VanderPlaat

On Behalf Of: self and family

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2631

We strongly support HB2631 and the compensation program for wolf depredation. The ranch operation has been devastated by wolves in Wallowa, Union and now Umatilla County.

Not only are the losses economic for them but also psychological. They have spent decades improving their cattle herd and the land that they manage as stewards.

Please pass this bill. Thank you Andy VanderPlaat
