Greetings:

The citizens of Oregon, by law or degree, are intitled to income refunds of surplus State revenue. It is a crime against mankind to break established rules and benefits of the citizens for any reason. Those who enact this theft and break established procedures is guilty of theft, and thieves are despised as the lowest class of persons.

Our State government is too large, inefficient and corrupt to continue standing and it sizes and scope will have to be reduced in order to continue.

OREGON IS BANKRUPT NOT BY ACTIONS OF THE PEOPLE, BUT RATHER ACTION THROUGH THE GOVERNMENT.

sincerely

Mike Sears
