On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

I do not believe in change our constitution in any way! I am voter, tax payer and I uphold the law. I am not in agreement to this measure/law and I do believe it should pass. Uphold our rights to bear arms and keep the laws as they are currently. It will not help stop the shootings that is a Mental Health issues not a gun issue. Julie Bateman 2A Law abiding citizen
