

Submitter: Jeff Lang
On Behalf Of: Myself
Committee: House Committee On Judiciary
Measure: HB2005

Dear committee,

I am opposed to the passage of house bill, 2005 because it further restricts the gun rights for legal citizens, The only people who will be affected. Criminals do not care about gun control legislation. And they will be unaffected by this bill. Please oppose house bill 2005.

Respectfully

Jeff Lang

Eugene, Oregon
