Measure: HB2006

"I OPPOSE HB2006, Do not change firearm ownership to 21! Stop the assault on our 2nd Amendment Rights!" You can't have it both ways, saying young people are old enough to say what gender they are but, not old enough to use a gun at 18...you are talking out of both sides of your mouths, if 18 year olds can serve in the military they can responsibly use a gun after having hunter safety class. What about all of the youth especially in Eastern Oregon that go hunting??? This seems just another way to control guns!
