

Submitter: Thilo Neubert
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

I strongly oppose this measure. This measure will not reduce violent crime. This measure only makes criminals out of some of the most law abiding citizens, the CHL holders by creating a random patchwork of self defense prohibited zones. I see nothing in this measure that addresses the core issues of violent crime, ie mental health and career criminals. We need criminal control not punishment of the law abiding.
