

Submitter: Kellie Jo Smith

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB2948

As a county without a hospital and without large facilities other than our public schools, maintaining our fairgrounds is a must to be able to support the people of Columbia County. During the wildfires our fairgrounds facility housed people and animals not only from our county but from other counties.

Helping counties to maintain and renovate fairground facilities would go a long way in helping with public safety, fiscal responsibility and emergency planning and preparedness.

Please support this bill.
