

Submitter: Steven Houck  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2006

Unnecessary and unconstitutional. This law attempts to solve a problem that doesn't exist by infringing on the rights of Law abiding citizens who are increasingly being pushed into the category of criminal not by their actions but by the actions of a uniformed populace and legislators hell bent on safety at any cost and the attempted control of the uncontrollable.
