

Submitter: Patrice Tullai

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3464

Good day,

I'd like to support this bill and encourage you as well. Beavers are quite important to healthy lands and waterways. With all the fires and climate change fears we must support nature's systems that keep life in check. More beavers mean healthy lands and we all want a healthy place to live. Thank you
