Measure: HB2007

I STRONGLY OPPOSE HB 2007!

This bill is yet another attempt to restrict the 2nd Amendment rights of responsible gun owners. Responsible people buy weapons legally and obtain (and pay for) concealed carry permits so that they can exercise their rights to protect themselves and, potentially, others in public as well as private settings. The criminals - those who cause problems - have not gone through the legal procedures to obtain and carry weapons. That is the definition of a criminal - one who does not follow the law. Yet, the legal system protects and coddles the criminals while passing ridiculous laws that target law abiding citizens. Enough!

I urge NO votes on this trio of ridiculous gun bills - HB 2005, HB 2006, and HB 2007.
