Committee: House Committee On Judiciary

Measure: HB2006

I OPPOSE HB2006, Do not change firearm ownership to 21. Stop the assault on our 2nd Amendment Rights! I was born and raised in this state, and my brothers and school friends all had guns. They hunted and did target practice. There were no violence issues, and using guns from a young age taught responsibility and how to handle them properly at all times. Guns are not the issue.

Thank you.

Sincerely,

Jane Herb
