Committee: House Committee On Judiciary
Measure: HB2007

I am writing in Opposition of HB 2007.

As a Women who is Law Abiding CHL holder, I feel like this is a direct threat to my safety, and to the safety of thousands of women everyday that carry for their protection. There is evil in this world, and you are directly threatening my Oregon Constitutional right to protect myself and my family.

The Governor of Oregon has armed security to protect her, but you are attempting to take my right away to protect myself.

Enough is enough with the stripping of Women's rights.

Please let me continue to protect myself as a law abiding citizen.

Thank you!
