

Submitter: Melissa Eckman
On Behalf Of: Animal health and well being
Committee: House Committee On Judiciary
Measure: HB3390

I strongly oppose HB3390 due to the fact it will lead to the ban of trapping and fur harvesting which will lead to overpopulation and the demise of fur bearing animals. California is witnessing this right now through conflicts with mountain lions and coyotes attacking people and killings pets in suburbs. It's not their fault, it's lack of management and laws preventing management of these animals.

Thank you
