

Submitter: Clint Lamkey
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2005

I oppose HB2005. This is a violation of constitutional rights of law abiding citizens. Crime is a big concern for Oregonians and this bill puts law abiding citizens in danger. Our government should be more focused on reducing crime than taking away rights of citizens. Criminals will not abide by these laws so this bill does nothing but harm.
