Committee: House Committee On Judiciary

Measure: HB2006

I fully oppose this bill, since 18 year olds are recognized as being responsible enough to serve and protect our country. And, as citizens, their Constitutional rights shall not be infringed. In the past, being a 16 year old was a rite of passage, to be able to hunt on your own. Enforce the criminal laws on the books, and meet out the penalties of breaking those laws, and you will achieve success in curbing, the criminal lawlessness our representatives have allowed to occur the last decade or so. Do what's right and punish the criminals, not law-abiding Citizens.
