

Submitter: Timothy Klopfenstein
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2006

I oppose this bill for the following reasons.

1. Would make it more difficult for individuals to be introduced to hunting and fishing. This would in turn greatly impact our ability to fund conservation and help our wildlife, because of a loss of hunting tags and permits.
2. Allows the government the exception to train and make 18 year olds to kill people with any gun they want, but throw them in prison if they come home and hunt or do certain sports.
3. Goes against citizens 2nd amendment rights.
