

Submitter: Kelly Parkman

On Behalf Of: OHA and myself

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB3086

To whom it may concern,

Please vote in favor of HB 3086. It improves how habitat and wildlife are managed in Oregon by replacing the political component of congressional districts with regional components that better represents all Oregonians.

HB 3086 also creates more opportunity for women, minorities, first generation legal immigrants, and other underserved communities learning how to enjoy Oregon's bountiful resources.

Sincerely, Kelly Parkman
