

Submitter: Alex Cole
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

This is a direct violation of my rights, the second amendment states in clear undistinguishable words and I quote "the right to keep and bear arms shall not be infringed"

It doesnt need to go any farther than that. SHALL NOT BE INFRINGED. I shouldn't even need a concealed carry permit to begin with. So my rights are already being violated. This furthers the communist agenda.
