

Submitter: Ric Ault

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I as a responsible gun owner , life long oregon resident , parent of a elementary student & grand parent of a kindergartener oppose hb 2005 , 2006 , 2007 as these only hurt legal responsible firearms owners & do nothing to stop criminals from committing crimes with stolen firearms & these bills will only cause further unabated criminal activity towards disarmed citizens .
