Measure: HB2006

I oppose HB 2006 because it denies American citizens, 18-20 years of age, their Second Amendment right to own a firearm.

An 18 yr. old can legally vote and join the military. If enlisted men and women can use firearms when defending the U.S.A. at 18-20 yrs. of age then this bill is senseless and infringes on their constitutional right to own a firearm.

Some families have guns that have been handed down for generations and this bill denies family members the right to gift their family heirlooms to their relatives. This bill has no grandfather provision for 18-20 year olds who already lawfully own firearms.

HB 2006 takes away a young person's (18-20 yrs.) right to defend themselves especially women. Since the 911 response time has increased due to the decrease in police personnel, we citizens have to rely on our own resources.

We already have enough laws that regulate gun control. The problem is the criminals don't follow the laws. The criminals don't buy their guns legally.

Stop taking our Second Amendment rights away Vote NO on HB 2006.
