Measure: HB2005

I wholeheartedly oppose this legislation. I believe in freedom and refuse to stand for the removal of my rights. Bad people will ALWAYS have firearms. Don't punish tax paying American citizens. It is not a gun control issue, it is a bad people do bad things issue. Why don't we address mental health ? Maybe that would help solve a lot of the root cause of firearm violence. Why don't we address poverty? Etc. once again, I oppose this legislation. -
