Measure: HB2005

I strongly oppose HB 2005. This is another attempt to take away our Second Amendment Rights as citizens of the U.S.A.

Second Constitutional Amendment of The United States of America:

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Criminals do not follow the law and they will not comply with this bill. They will continue to do their unlawful business as usual. This law only affects law abiding citizens denying the Second Amendment right and making them more vulnerable to the criminal element.

There are plenty of gun laws on the books. It's time to enforce those laws and have DAs who will prosecute and judges who will rule for jail time and stop promoting social justice policies which only hurt the law abiding citizens.

This bill is an unconstitutional gun grab and deserves a Vote of NO!
