On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2005

Dear Chair, co-chairs, and committee members,  
My name is Lisa McCall, and I oppose hb 2005. The 2nd Amendment, enshrined in our Bill of Rights, is crucial to our freedom in America. We have always enjoyed the right to craft our own things, from clothing to houses and other structures to... all sorts of contraptions, mechanical devices, and tools to make life more convenient, productive, and enjoyable. And to keep our families safe.  
It was builders who pioneered this country, who built this country. Please do not advance this bill, this attack on Oregonians' gun rights. I love the rugged individualism of America, and I resent the people attacking the freedoms that make our nation great.
