

Submitter: Jesse Siegrist  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2006

18 is legally an adult or not? If you are going to take this stance, then at least be consistent and say persons under 21 are ineligible for military service, the draft, sexual consent and the ability to vote. Maybe if we had fewer people voting, we would have less of your nonsense to deal with.
