

Submitter: Katherine McKinsey

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3390

To the Chair and Members of the Committee, as an Oregon resident and veterinarian, I strongly support House Bill 3390 prohibiting the sale of new fur products in our state. I care deeply about animal welfare and animals raised for their fur suffer greatly. Please do the right, humane thing and protect these animals, and set a great example for the rest of the nation.

Thank you
