Measure: HB3390

Thank you for having a hearing on HB 3390. I am an Oregon resident in Albany, and I support this bill. California has banned the sale of new fur products, and Oregon should be next to prevent profiting off animals who are forced to stay inside cages with wire mesh flooring in extreme temperatures and typically killed by anal electrocution, neck breaking, or other crude and gruesome methods. The treatment of these beautiful creatures is inhumane and unacceptable. With the accessibility of so many faux fur products we have NO reason to treat living animals this way. Please show future generations to care for this planet and all its inhabitants. Thank you.
