

Submitter: Sean Bannon

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3390

Thank you for having a hearing on HB 3390. I am an Oregon resident in Portland and I support this bill. My understanding is that California has banned the sale of new fur products, and Oregon should be next to prevent profiting off animals who are reportedly forced to stay inside cages with wire mesh flooring in extreme temperatures and typically killed by electrocution, neck breaking, or other crude and gruesome methods.
