

Submitter: Greg Tillmam White  
On Behalf Of: Every Citizen  
Committee: House Committee On Judiciary  
Measure: HB2005

I am in opposition to any legislation, statute or regulation that intereferes with or abrogates ANY portion of the Oregon Constitution, the United States Constitution and/or Bill of Rights.

This bill clearly does not comply in full with the Oregon Constitution, United States Constituion and/or the Bill of Rights by requiring ANYTHING to exercise my Constitutionally guaranteed Rights. The State has NO LEGAL authority to impose House Bill 2005 on ANY Citizen.  
Stop HB 2005 NOW!!!!
